FINANCIAL POLICY

This is an agreement between Kurt Vernon MD PA a North Carolina Professional Corporation, as creditor, and the Patient/Debtor named on this form. In this agreement the words "you, your, and yours" mean the patient/Debtor. The word "account" means the account that has been established in your name to which charges are made and payments credited. The words "we," "us," and "our" refer to Kurt Vernon MD PA

Monthly Statement: If you have a balance on your account, we will send you a monthly statement. It will show separately the previous balance, any new charges to the account, the finance charge, if any, and any payments or credits applied to your account during the month.

Payment options if you have no insurance:

1. You choose to pay by cash, check, or credit card on the day for services being rendered.
2. For procedures the cost needs to be paid prior to your procedure.
3. On extensive treatment or procedures, you may prefer to secure a bank, credit union, or other third-party financing for the entire amount and make payments to the lending institution.

Payment options if you have insurance:

1. You must pay your deductible of and any out-of-pocket portions at the time services are rendered by cash, check, or credit card.
2. If you choose to pay all of your treatment by cash, check, or credit card, you will need to file appropriate insurance forms for reimbursement.

Payments: Unless other arrangements are approved by us in writing, the balance on your statement is due and payable when the statement is issued, and is past due if not paid by the end of the month.

Charges to Account: We shall have the right to cancel your privilege to make charges against your account at any time. Future visits would then need to be paid at the time of service.

Contracted Insurance: If we are contracted with your insurance company, we must follow our contract and their requirements. If you have a co-pay or deductible, you must pay that at the time of service. It is the insurance company that makes the final determination of your eligibility. If your insurance company requires a referral and/or preauthorization, you are responsible for obtaining it. Failure to obtain the referral and/or preauthorization may result in a lower payment from the insurance company.

Non-contracted Insurance: Insurance is a contract between you and your insurance company. We are NOT a party to this contract, in most cases. We will bill your primary insurance company as a courtesy to you. Although we may estimate what your insurance company may pay, it is the insurance company that makes the final determination of your eligibility. You agree to pay any portion of the charges not covered by insurance. If your insurance company requires a referral and/or preauthorization, you are responsible for obtaining it. Failure to obtain the referral and/or preauthorization may result in a lower payment from the insurance company.

Credit History: We have the option to report your account status to any credit reporting agency such as a credit bureau.

Required payments: Any co-payments required by an insurance company must be paid at the time of service. Because this is an insurance requirement, we cannot bill you for these.

The Financial Policy continues on the back side of this page.

Transferring of Records: You will need to request in writing, and pay a reasonable copying fee if you want to have copies of your records sent to another doctor or organization. If you are requesting your records to be transferred from another doctor or organization to us, you authorize us to receive all relevant information, including your payment history.

Payment of the bill remains the patient=s responsibility. We cannot bill your attorney for charges incurred due to a personal injury case.

Co-signature: If this or another Financial Policy is signed by another person, that co-signature remains in effect until canceled in writing. If written cancellation is received, it becomes effective with any subsequent charges.

Effective Date: Once you have signed this agreement, you agree to all of the terms and conditions contained herein and the agreement will be in full force and effect.
